

Lurie Children's

Fast Facts

Lurie Children's delivers the highest quality, family-centered care and high-impact research. We are the largest pediatric specialty provider in the region. Our mission is to enhance the health and well-being of children through patient care, research, education and advocacy. Lurie Children's medical staff includes over 1,800 allied health professionals in 70 pediatric specialties.

Research at Lurie Children's is conducted through Stanley Manne Children's Research Institute. Our pediatric research institute has more than 1,500 total research studies with more than 550 researchers in 56 laboratories.

U.S. News World Report

In the 2022–23 *U.S. News & World Report* rankings of the Best Children's Hospitals, Lurie Children's continues to be the top hospital in Illinois, ranking in all nine specialties.

Magnet Recognized

The first children's hospital in the country and the first hospital in Illinois to earn the American Nurses Credentialing Center's Magnet Award for Nursing Excellence.

Level 1 Pediatric Surgery Center

Lurie Children's was named a level I pediatric surgery center by the American College of Surgeons (ACS) for the third time, becoming the first children's hospital in Illinois to earn this status.

Women's Choice Award

In 2022, Lurie Children's earned the Women's Choice Award for the Best Children's Hospital and Best Pediatric Emergency Care. The goal of the award is to help parents make educated, confident decisions about where to take their children for a wide range of healthcare services.

Newsweek World's Best Hospital

Lurie Children's was listed on *Newsweek's* World's Best Specialized Hospitals 2023. This award is based on a global survey of medical professionals by over 40,000 medical experts in over 20 countries.
