American Academy of Pediatrics

DEDICATED TO THE HEALTH OF ALL CHILDREN®

Comprehensive Review Package

The PREP The Curriculum package includes our 2 most popular subscription products providing you with all the authoritative resources you need for lifelong learning. This package includes PREP Self-Assessment and 12 issues of the Pediatrics and Review journal.

**General
Pediatrics
Review
Package!**

PREP SELF-ASSESSMENT

- PREP Self-Assessment helps you identify your knowledge gaps with peer-reviewed questions, high-quality medical images, and detailed critiques.
- **New in 2024!** PREP Self-Assessment will be moving to a new educational platform that will provide better functionality, a quicker way to access clinical images, and improved mobile optimization.

PEDIATRICS IN REVIEW

- In 2024, *Pediatrics in Review* will celebrate **45 years of journal publishing** mapping review articles to ABP content domains and expanding your knowledge base on primary care clinical gaps through popular journal features like Chronic Conditions, Index of Suspicion, and Visual Diagnosis cases plus In Brief articles.

PREP THE CURRICULUM 1-year subscription includes

PREP Self-Assessment

Over 260 case-based questions with detailed explanations supporting the preferred response, along with a discussion of why other choices are incorrect.

Online Testing Tools and Resources

Boost your learning with PREP Pearl links to salient review articles, and more.

12 issues of *Pediatrics in Review*

Published monthly with case-based articles that aid clinicians in the proper identification of differential and actual diagnoses as well as therapeutic management of diseases and disorders.

Valuable MOC & CME credit

AAP Members save more than 20% on PREP products with already-reduced member pricing!

	PRINT & ONLINE	ONLINE ONLY
Nonmember	\$535	\$484
AAP Member	\$405	\$354

Subscription access begins in January 2024.

General pediatrics 2024 PREP® Self-Assessment is approved for 40 points of MOC Part 2 credit and the *Pediatrics in Review*® journal is approved for 30 points of MOC Part 2 credit by the American Board of Pediatrics through the AAP MOC Portfolio Program.

Component
of PREP® The
Curriculum

Pediatrics Review and Education Program

Component of PREP® The Curriculum package, also sold separately.

1-year subscription

With PREP Self-Assessment, you can identify your strengths and weaknesses with peer-reviewed questions, high-quality medical images, and detailed critiques. Also includes practice test features, performance results, and PREP Pearl to maximize your study time.

	PRINT & ONLINE	ONLINE ONLY
Nonmember	\$334	\$293
AAP Member	\$258	\$216

Subscription access begins in January 2024.

2024 PREP® Self-Assessment is approved for 40 points of MOC Part 2 credit.

Topics include

- Recognizing behaviors indicative of suicidal ideation
- Determining treatment for rumination syndrome
- Discussing the adverse effects of creatine supplementation
- Recognizing that children with fulminant myocarditis can be misdiagnosed with sepsis or another severe systemic illness
- Recommending therapy for a patient exhibiting behavior consistent with a phobia

Focus on your priorities with enhanced online features!

PREP Pearls

As you complete questions, open the PREP Pearl tabs to review randomized PREP Pearls in your lowest performing categories.

Results are summative, so the more questions you answer, the more PREP Pearls you can review. Sort by content area to focus on challenging content where concentrated study may be helpful.

Confidence Ratings

Learners can select options based on their confidence in answering each question. Updated confidence ratings allow learners to determine their greatest knowledge gap.

Pediatrics in Review®

pedsinreview.org

EDITOR // Joseph A. Zenil, MD, FAAP
DEPUTY EDITOR // Hugh D. Allen, MD, FAAP

Maintenance of Certification (MOC) Information

The general pediatrics 2024, 2023, and 2022 PREP® Self-Assessments are approved for 40 points of MOC Part 2 credit by the American Board of Pediatrics through the AAP MOC Portfolio Program.

2024 PREP® Subspecialty Self-Assessments are approved for 18 points of MOC Part 2 credit by the American Board of Pediatrics through the AAP MOC Portfolio Program. The self-assessment component of NeoReviewsPlus™ is approved for 24 points of MOC Part 2 credit. PREP Hospital Medicine is approved for 27 points of MOC Part 2 credit. 2022 & 2021 Palliative Medicine are approved for 10 points of MOC Part 2 credit.

NeoReviews™ is approved for 10 points of MOC Part 2 credit by the American Board of Pediatrics through the AAP MOC Portfolio Program.

Pediatrics In Review® is approved for 30 points of MOC Part 2 credit by the American Board of Pediatrics through the AAP MOC Portfolio Program.

All approved activities must be completed by the MOC Credit Approval End Date. All deadlines and MOC point values should be confirmed by checking the ABP Activity Catalog within each physician's ABP portfolio. Consult your ABP portfolio at www.abp.org for details about your specific certification requirements. For questions about how to access this activity, contact MOCPortfolio@aap.org.

To claim credit and find information on how to notify the ABP of your completion, refer to the Claim Credit pages of the self-assessments.

Please note: To claim MOC credit, subscribers must initiate transmission of MOC credits after all assessment questions have been completed and the established minimum passing score has been achieved in the online learner mode. A record of MOC credit claiming activity is located in the Manage ABP MOC Credit section of the AAP Transcript and Credit Management Tool.

PREP products are approved for MOC Part 2 credit by the American Board of Pediatrics through the AAP MOC Portfolio Program.

Consult your ABP portfolio at abp.org for details about your specific certification requirements.

CME Credit Information

The American Academy of Pediatrics (AAP) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The AAP Policy on Disclosure of Financial Relationships and Mitigation of Conflicts of Interest is designed to ensure quality, objective, balanced, and scientifically rigorous AAP CME activities. All individuals in a position to influence and/or control the content of AAP CME activities are required to disclose to the AAP and subsequently to learners that they have either no financial relationships or any financial relationships with the manufacturer(s)

of any commercial product(s) and/or provider(s) of commercial services discussed in CME activities. All potential conflicts of interest are identified and mitigated prior to an individual's confirmation of service at an AAP CME activity. Beyond disclosure of financial relationships, AAP CME faculty are required to disclose to the AAP and to learners when they plan to discuss or demonstrate pharmaceuticals and/or medical devices and/or medical or surgical procedures that involve "off-label" use of a device or pharmaceutical. The AAP is committed to providing learners with commercially unbiased CME activities.

The content of these CME activities does not necessarily reflect the views or policies of the AAP.

New & Improved Educational Platform

2024 PREP Self-Assessment will be moving to a new educational platform.

See page 9 for details.
