

# The Facts

*FY23*

Your children. Your family. Our purpose.

The highlight of Fiscal Year 2023 was the announcement of a new name for The Children's Hospital of San Antonio. We are so much more than a hospital. Now, CHRISTUS Children's better reflects all the services provided to San Antonio, nearby communities and beyond. What started as a hospital located in the heart of downtown San Antonio has grown into a network of freestanding emergency centers, multi-specialty, maternal and pediatric clinics as well as outpatient rehabilitation centers located throughout all parts of the city and New Braunfels. Patients and families come from all over the U.S. and the world to access care from 200 pediatric and maternal experts.

Miracle Network  
Hospitals

**CHRISTUSchildrens.org**

CHRISTUS Children's is the first and only freestanding children's hospital in San Antonio, solely dedicated to providing world-class health care to children in San Antonio, South Texas, and beyond. Our mission began in 1869 when the Sisters of Charity of the Incarnate Word, San Antonio vowed to care for a community suffering from an epidemic of cholera and yellow fever. It is our promise to continue this legacy of care as part of the CHRISTUS Health family.
